We're the best location to get for your publication. And your own time to get this guide since among the compromises has already been ready. 73. The Miller and his Wife cccclxxvii. Then she charged her husband keep watch over the thief, till she should return, and repairing to his wife, acquainted her with his case and told her that her husband the thief had been taken and had compounded for his release, at the price of seven hundred dirhems, and named to her the token. So she gave her the money and she took it and returned to her house. By this time, the dawn had broken; so she let the thief go his way, and when he went out, she said to him, 'O my dear one, when shall I see thee come and take the treasure?' 'O indebted one,' answered he, 'when thou needest other seven hundred dirhems, wherewithal to amend thy case and that of thy children and to discharge thy debts.' And he went out, hardly believing in his deliverance from her. Nor," added the vizier, "is this more extraordinary than the story of the three men and our Lord Jesus." . . . . . She shot at me a shaft that reached my heart and I became The bond- man of despair, worn out with effort all in vain..168. Abdallah ben Fasil and his Brothers dcccclxviii. I went forth one day, purposing to make a journey, and fell in with a man whose wont it was to stop the way. When he came up with me, he offered to slay me and I said to him, "I have nothing with me whereby thou mayst profit." Quoth he, "My profit shall be the taking of thy life." "What is the cause of this?" asked I. "Hath there been feud between us aforetime?" And he answered, "No; but needs must I slay thee." Therewithal I fled from him to the river-side; but he overtook me and casting me to the ground, sat down on my breast. So I sought help of the Sheikh El Hejjaj (156) and said to him, "Protect me from this oppressor!" And indeed he had drawn a knife, wherewith to cut my throat, when, behold, there came a great crocodile forth of the river and snatching him up from off my breast, plunged with him into the water, with the knife still in his hand; whilst I abode extolling the perfection of God the Most High and rendering thanks for my preservation to Him who had delivered me from the hand of that oppressor.'. When Abou Temam returned with [news of] the accomplishment of his errand and brought the presents and the letter, King Ilan Shah rejoiced in this and redoubled in showing him honour and made much of him. Some days thereafterward, the king of Turkestan sent his daughter and she went in to King Ilan Shah, who rejoiced in her with an exceeding joy and Abou Temam's worth was exalted in his sight. When the viziers saw this, they redoubled in envy and despite and said, 'An we contrive us not a device to rid us of this man, we shall perish of rage.' So they bethought them [and agreed upon] a device they should practise.. When they knew that there was left him no estate that the king might covet, they feared lest he be brought to release him, by the incidence of the vizier's [good] counsel upon the king's heart, and he return to his former case, so should their plots be marred and their ranks degraded, for that they knew that the king would have need of that which he had known from that man nor would forget that wherewith he was familiar in him. Now it befell that a certain man of corrupt purpose (78) found a way to the perversion of the truth and a means of glozing over falsehood and adorning it with a semblance of fair-seeming and there proceeded from him that wherewith the hearts of the folk were occupied, and their minds were corrupted by his lying tales; for that he made use of Indian subtleties and forged them into a proof for the denial of the Maker, the Creator, extolled be His might and exalted be He! Indeed, God is exalted and magnified above the speech of the deniers. He avouched that it is the planets (79) that order the affairs of all creatures and he set down twelve mansions to twelve signs [of the Zodiac] and made each sign thirty degrees, after the number of the days of the month, so that in twelve mansions there are three hundred and threescore [degrees], after the number of the days of the year; and he wrought a scheme, wherein he lied and was an infidel and denied [God]. Then he got possession of the king's mind and the enviers and haters aided him against the vizier and insinuated themselves into his favour and corrupted his counsel against the vizier, so that he suffered of him that which he suffered and he banished him and put him away.. An if my substance fail, no one there is will succour me, i. 6.. Peace on you, people of my troth! With peace I do you greet, ii. 224.. JAAFER BEN YEHYA AND ABDULMEILIK BEN SALIH THE ABBASIDE. (144). . . . . n. The Man who never Laughed again dlxxxvii. . . . . c. The Third Calender's Story liiii. . . . . With ruin I o'erwhelm him and abjectness and woe And cause him quaff the goblet of death and distance drear.. . . . k. The Blind Man and the Cripple dccccx. There was once, of old days and in bygone ages and times, in the city of Baghdad, the Abode of Peace, a king mighty of estate, lord of understanding and beneficence and liberality and generosity, and he was strong of sultanate and endowed with might and majesty and magnificence. His name was Ins ben Cais ben Rebiya es Sheibani, (47) and when he took horse, there rode unto him [warriors] from the farthest parts of the two Iraks. (48) God the Most High decreed that he should take to wife a woman hight Afifeh, daughter of Ased es Sundusi, who was endowed with beauty and grace and brightness and perfection and justness of shape and symmetry; her face was like unto the new moon and she had eyes as they were gazelle's eyes and an aquiline nose like the crescent moon. She had learned horsemanship and the use of arms and had thoroughly studied the sciences of the Arabs; moreover, she had gotten by heart all the dragomanish (49) tongues and indeed she was a ravishment to mankind.. Meanwhile the king said to his vizier, "How shall we do in the matter of yonder youth, the Yemani, on whom we thought to confer largesse, but he hath largessed us with tenfold [our gift] and more, and we know not if he be a sojourner with us or no?" Then he went into the harem and gave the rubies to his wife Afifeh, who said to him, "What is the worth of these with thee and with [other] the kings?" And he answered, "They are not to be found save with the greatest of kings and none may avail to price them with money." Quoth she, "Whence gottest thou them?" So he recounted to her the story of El Abbas from first to last, and she said, "By Allah, the claims of honour are imperative on us and the king hath fallen short of his due; for that we have not seen him bid him to his assembly, nor hath he seated him on his left hand." .7. Story of the Hunchback ci. . . . . By Him whom I worship, indeed, I swear, O thou that mine eye dost fill, By Him in whose honour the pilgrims throng and fare to Arafat's hill.. The Twenty-Sixth Night of the Month.. When he felt the water, he struck out, and gave not over swimming till he landed upon an island, where he abode five days, finding nothing which he might eat or drink; but, on the sixth day, when he despaired of himself, he caught sight of a passing ship; so he made signals to the crew and they came and took him up and fared on with him to an inhabited country, where they set

him ashore, naked as he was. There he saw a man tilling; so he sought guidance of him and the husbandman said, 'Art thou a stranger?' 'Yes,' answered the king and sat with him and they talked. The husbandman found him quickwitted and intelligent and said to him, 'If thou sawest a comrade of mine, thou wouldst see him the like of what I see thee, for his case is even as thy case, and he is presently my friend.' . . . a. The Foolish Weaver clii. When she awoke, she said to the old man, "O elder, hast thou aught of food?" And he answered, "O my lady, I have bread and olives." Quoth she, "That is food fit but for the like of thee. As for me, I will have nought but roast lamb and broths and fat rissoled fowls and stuffed ducks and all manner meats dressed with [pounded nuts and almond-]kernels and sugar." "O my lady," replied the Muezzin, "I never heard of this chapter in the Koran, nor was it revealed unto our lord Mohammed, whom God bless and keep!" (31) She laughed and said, "O elder, the matter is even as thou sayest; but bring me inkhorn and paper." So he brought her what she sought and she wrote a letter and gave it to him, together with a seal-ring from her finger, saying, "Go into the city and enquire for such an one the money-changer and give him this my letter." . . . How oft of dole have I made moan for love and longing pain, What while my body for desire in mortal peril went! The absent ones' harbinger came us unto, iii. 153. Say, by the lightnings of thy teeth and thy soul's pure desire, iii. 19. One day, another of my friends came to me and said 'A neighbour of mine hath invited me to hear [music]. [And he would have me go with him;] but I said, 'I will not foregather with any one.' However, he prevailed upon me [to accompany him]; so we repaired to the place and found there a man, who came to meet us and said, '[Enter,] in the name of God!' Then he pulled out a key and opened the door, whereupon we entered and he locked the door after us. Quoth I, 'We are the first of the folk; but where are their voices?' (128) '[They are] within the house,' answered he. 'This is but a privy door; so be not amazed at the absence of the folk.' And my friend said to me, 'Behold, we are two, and what can they avail to do with us?' [Then he brought us into the house,] and when we entered the saloon, we found it exceeding desolate and repulsive of aspect Quoth my friend, 'We are fallen [into a trap]; but there is no power and no virtue save in God the Most High, the Supreme!' And I said, 'May God not requite thee for me with good!' . . . STORY OF THE RICH MAN AND HIS WASTEFUL SON. Behold, I am clad in a robe of leaves green, ii. 242. So saying, he spat in her face and went out from her; whilst Shah Khatoun made him no answer, knowing that, if she spoke at that time, he would not credit her speech. Then she humbled herself in supplication to God the Most High and said, 'O God the Great, Thou knowest the hidden things and the outward parts and the inward' If an advanced term (137) be [appointed] to me, let it not be deferred, and if a deferred one, let it not be advanced! On this wise she passed some days, whilst the king fell into perplexity and forswore meat and drink and sleep and abode knowing not what he should do and saying [in himself], 'If I kill the eunuch and the youth, my soul will not be solaced, for they are not to blame, seeing that she sent to fetch him, and my heart will not suffer me to slay them all three. But I will not be hasty in putting them to death, for that I fear repentance.' Then he left them, so he might look into the affair. . . . 33.
